

*Dobbe Brothers Racing and Oil Extreme (NZ) presents*  
a New Zealand lecture tour by world renown

# *David Vizard* on **PERFORMANCE ENGINE BUILDING**

This is a very special opportunity to hear David in person; learn about

- new techniques on improving cylinder head flow and combustion efficiency
- new ideas on inlet and exhaust valve ratios in relation to compression ratios
- camshaft timing requirements over a range engine combustion ratios

backed with results from extensive research & development overseen by David.

## **SEMINARS**

### **Evening Lectures, 3 hour**

For enthusiasts and engine builders. Informative without going into great detail.
